January 2017

Greetings in the wonderful name of Jesus!

It is our sincere hope that you experienced the true joy of Christ in the Christmas season and the peace that only He can give. As we enter into this new year may we all make a renewed commitment to reaching the lost.

Looking Back on 2016

As we look back over this past year we stand amazed at the goodness of our Lord! We have traveled thousands of miles, and He has protected us every mile of the way. He has been our strength when we felt we had none, and He has been faithful to meet our every need. We are in awe at the doors the Lord has opened for us to be able to share our **vision for New Zealand**

Looking Ahead to 2017

Our goal is to return to New Zealand for a three month term this coming Spring. Three months is the longest you can stay on a visitors visa, so while we are there:

- * We hope to obtain a Religious Worker's Visa which would allow us to stay in New Zealand long term the next time we return.
- * Some of our planned ministries while there include: street ministry, tract distribution, and nursing home services .
- * We also plan to contact Children's Homes for outreach to infants and children of New Zealand.
- * Finally, we desire to do more specific research into the aspects of starting a radio station.

Are you willing to help?

We were hoping to be much closer to our goal by now, but extra expenses for maintenance and repairs over the past few months have left us \$10,000 away from reaching our goal.

Would you prayerfully consider joining others who have committed to supporting us on a monthly basis? Perhaps you would be willing to invest in this ministry with a one time donation.

We deeply appreciate whatever you are willing to do to help us do our part in fulfilling the Great Commission. Your gift is tax deductible.

Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest. Luke 10:2

The Noah Martinez family

We want to send a **special Thank You** to **Brother and Sister Martinez** and their church, **Desert Cove Assembly** in Phoenix, AZ. While we were with them back in November we learned that my dad had a slight heart attack and was facing possible open heart surgery. Reitha and the girls stayed in our trailer at their church while I flew back to Oklahoma to be with him. Bro. & Sis. Martinez took such great care of them while I was gone. They were such a blessing to us! We were able to establish a great friendship with these wonderful, caring people.

Also—A hearty thank you to **Bro. and Sis. Santiago Renteria** for the wonderful homemade Mexican food!

New Zealand News

Three earthquakes have hit New Zealand in the last two months causing widespread damage and a few fatalities. Pray with us that the Lord would use this to wake up the people of New Zealand to see their need of the Lord.

Some of the earthquake damage.

THANK YOU

We have left our hearts in so many places.

Our travels have allowed us the blessing of reacquainting with old friends and making many new ones along the way. Our prayer has been that we would be a blessing wherever we go, but in return we have been greatly blessed by so many of **YOU!**

Thank you so much for your **prayers** and generous financial support. We are *eternally grateful* for the sacrifices you have made. **May the Lord richly bless you.**

We would also like to say *thank you* to those of you that have begun supporting us on a regular basis, **you are truly a blessing.**

Kids Corner

Ready to give out some Christmas plates—learning the joy of giving.

We make friends every where we go, Natalie Conner is one of them.

We asked the girls what they are thankful for and Sharei said *"I am thankful for all the churches we go in."*

God bless you! Shawn, Reitha, Reiawna and Sharei McDaniel
