Greetings in the name of our Lord Jesus Christ,

July 2021

We are truly thankful for each one of you who have prayed for us and those of you who have supported this ministry financially. We could not continue without you. Also we along with our girls want to say thank you to each that have financially given to them as well. May God bless you for the sacrifices you have made.

The last few weeks we have been in areas where we have experienced some hot sunny days along with a lot of rain. Because of this we have seen how the grass is green and quickly growing and how vibrant in color the flowers are. Because of the sun, rain, and heat things are growing. If you have just one of these elements' things will die, but with the right amount of each things will thrive and grow. So it is with our spiritual life. It takes a combination of the Son of God, the water of the Spirit along with the heat of adversity to help us grow spiritually. You may feel the heat of the battle you are in is too much for you to handle but know that you can grow through this! I am sure the three Hebrew Children through the fiery furnace experience, grew spiritually, and their faith was stronger than ever before!

We are thankful for the recent opportunity we had to give some food bags and tracts to some homeless people and talk to them about the soon coming of the Lord. One woman said, "I am hungry, you don't know what this means."

While we were with Pastor Justin Lehman and his wife Beth, we were able to help them do some work on the house the Lord has blessed them with.

DON'T GET WEARY IN THE WAITING

All of us face times of waiting in our lives. You may be in a time of waiting right now. Possibly it is waiting for a healing for your body, salvation for loved ones, a ministry door to open, or maybe you are waiting for a spouse. If we are not careful as humans, we can become weary in these times of waiting and begin to lose our focus. In Galatians 6:9 it says, "And let us not be weary in well doing: for in due season we shall reap, if we faint not." Whatever it is you are waiting for, we want to encourage you to remain faithful to the Lord and to the calling He has placed on your life. We are in one of those times of waiting ourselves as we continue to wait for the borders of New Zealand to open. The Lord has confirmed His calling to us through His Spirit. We must encourage ourselves with what He has spoken to us and believe that it will happen! Our timing is not God's timing, and we do not always understand why things don't happen when we think they should, but God sees the full picture and we will understand it better one day.

Enjoying some time with special friends.

Some sweet people gave the girls gifts on Reiawna's Birthday.
