Greetings in Jesus' name,

July 2019

It is hard to believe that 2019 is already half gone. We would like to say thank you to all the churches that have opened up their doors to us, for the offerings that you have given and the hospitality you have shown. **We are so grateful for you!** We would also like to extend our appreciation to all of you who have supported this work either with a one time offering or on a regular basis. We especially want to **thank you** for all of your **PRAYERS**.

Some of you have shared that you pray for us daily. We are humbled that you would think of us. Your prayers are being heard and God is answering. The Lord has protected us every mile of the way. One example of this was back in April on the way to the Missions Conference in London, Kentucky. One of the axles on our trailer had cracked. We are thankful that we made it to our destination safely without losing a tire. Thank you to Reitha's dad, Ken Johnson, who brought a new axle to us and helped to install it. Bro. Jeremy and Sis. Jennifer Brooks helped cover the cost of this repair. We want to thank them for helping us to get back on the road. **God is so faithful!**

In a previous newsletter we talked about a couple who are living together, by the name of Tala and Charmaine. Reitha has been corresponding with Charmaine since we returned from New Zealand. Recently, Charmaine has shared some of the difficulties she is going through. Reitha expressed to Charmaine her need for Jesus and how she can turn to Him in times like these. Please help us pray that the Holy Spirit will draw them to salvation.

News About our Girls

As we have been itinerating our girls are not able to be with their grandparents very often. We appreciate all of you who have extended your love and become like grandparents to them. You have been such a blessing. May the Lord in turn bless you for your kindness.

One of the highlights for our girls this year was when they were able to meet their Abeka DVD teachers, Mrs. Chappel (on the left) and Mrs. Reese (on the right). They were very excited see them in person.

Other exciting news is that Reiawna has started taking piano lessons online. We are so thankful to Sis. Julie Smith-Foster for taking her on as a student. She has encouraged Reiawna to play and sing in church. We are amazed that Reiawna has a desire to do this in spite of her shyness. Our prayer is that the Lord will use her as well as Sharei to be a blessing to others.

PRAYER REQUEST

Please continue to help us pray that the Lord will provide a way for us to obtain a visa.

Pray for both of our parents, as they have been experiencing some health issues.

Pray for continued protection as we itinerate.

We are at about 65% of our budget, please pray that God will provide what we need to return to New Zealand.

Thank you for all your prayers.

*God bless,
The McDaniel Family
