Greetings in the precious name of our Lord Jesus Christ,

March 2022

We pray that in this world of turmoil you are experiencing the peace that only Christ can give. Recently a friend shared some encouraging words with us. She mentioned she once heard a sermon titled, "Resting on Certainties". In this world with so many uncertainties there are some things we can be sure of. We know of a certainty that GOD IS FAITHFUL, and that HE CARES about what we are going through. I am thankful that in uncertain times we can be encouraged by the Word of God. Hebrews 6 tells us that we have an anchor that is sure and steadfast. Christ is that anchor we can hold on to in these troublesome times.

Ministry Opportunities

In February Reitha and the girls made Valentine cookies. We went to a nearby neighborhood and gave them out along with some tracts. We are thankful for those we were able to witness to as well as invite them to church. Several were appreciative that we came.

Reiawna has been taking piano lessons for 3 years now and has learned several songs. The Lord opened a door for her and Sharei to

minister in a nursing home. The residents expressed their gratitude for them coming and seemed to really enjoy the Gospel songs they sang. One lady pointed to her heart and said, "it gets you right here!" We are thankful for these opportunities we had to share the love of Christ.

In our last newsletter we mentioned that we had purchased another truck and had to have it repaired. Unfortunately, there were other issues with it, and we were advised by a mechanic that it would not be worth putting the money into repairing it. We have sold that truck and are currently looking for another one.

We want to say thank you to Brother Michael Johnson and Trinity Holiness Tabernacle in Goshen, IN for loaning us their church van. Because of their kindness we have been able to continue itinerating. Please continue to help us pray that New Zealand opens their borders soon.

Once again we want to say thank you for your love, prayers, and financial support for this ministry! May the Lord abundantly bless you for your kindness!
