Greetings in Jesus' name,

November 2019

Fall has finally arrived, the temperatures have started to cool down and the leaves are beginning to turn. In our travels over the past few months we have watched the fields turn from vibrant green to brown as the crops have matured and are now ready for harvesting. The farmers are working diligently to gather them in before they are lost. Let us pray that God will open our eyes to see the golden fields around us filled with souls that we must reach before it's too late.

As some of you know, in July the head gasket blew in our truck and one of the heads cracked. There were many difficulties in getting it repaired. We purchased a used engine, they found out there was a problem with it after it was installed. We purchased a second engine and when it arrived it also had some problems. Praise the Lord, after four months and three engines we finally have our truck back.

Even though things did not go as we hoped they would, we saw the hand of God moving every step of the way. We are overwhelmed by all of the love and generosity that so many of you have shown us during this time. We want to say **"THANK YOU" so much for your prayers, encouraging words and financial donations to cover the cost of the repairs. You have truly been a blessing to us!!**

It is dangerous to start listing names for fear that one may be forgotten. If you gave to us and we failed to mention your name, please accept our deepest apology. We want to especially thank Brother Bobby Roadcap and Mission Tabernacle Holiness Church in Harpers Ferry, WV. They went **above and beyond** in helping with the purchase and installation of these engines as well as loaning us Sister Roadcap's car for the four months while our truck was down.

We also want to say thank you to Brother Lonnie Humphrey and Saratoga Holiness Church in Saratoga, NC. They were so generous in their financial giving and graciously allowed us to park our trailer at their church for over two months during this time. Brother Humphrey along with Bro. Sonny Griswold and Refugee Trinity Holiness Church, and Bro. Ervin Lewis and Harbor Light Holiness Church so graciously opened their doors to us over and over again allowing us to minister in their churches while we were in their area. Many others generously gave to us in our time of need including, Bro. Ken Taylor and Bristow Assembly of God; Bro. L.D. Savage and Massanova Pentecostal Church, Bro. William Strickler and Laurel Hill Pentecostal Church, Bro. Jared Reid and Revival Holiness Church; Bro. David Turner and New Life Holiness Church; Bro. Ray Priest and Trinity Holiness Church of God; Bro. Clifford Hurst and Union Road Pentecostal Church; Wray Holiness Baptist Church and Evangelist Bro. Rocky Kirk. **We truly appreciate everything that has been done!** We also want to thank Bro. Austin Griffiths for moving our trailer from West Virginia to North Carolina and Bro. Stacey Floyd for allowing us to use his truck to move our trailer from North Carolina to South Carolina. This allowed us to continue with our schedule of itinerating. We would not be able to continue on the road sharing our vision for New Zealand without the help that has been given to us! **We are eternally grateful to all of you!**

PRAYER REQUEST

Please continue to help us pray that the Lord will provide a way for us to obtain a visa. Many of you may know that the visa requirements for New Zealand are very restrictive.

Pray for continued protection as we itinerate.

Praise the Lord, we are now at 75% of our budget, please pray that God will continue to provide what we need to return to New Zealand.
