Greetings in the name of our Lord Jesus,

We pray this letter finds you doing well. It has been a little over a year since we returned from New Zealand. **During this year of itineration we have been amazed at how the Lord has protected, directed and supplied, not only for missions, but also for us personally.** In these last three months our girls have started school (Reiawna, 2nd grade and Sharei, Kindergarten). We have had the added expenses of school supplies and related costs along with our normal travel expenses and truck repairs.

The way God has so graciously met every need reminds us of that familiar passage that says, "But my God shall supply all your need according to his riches in glory by Christ Jesus." (Philippians 4:19) We are overwhelmed at how the Lord has proven this verse to be true to us.

Statistics about New Zealand

In one of our previous newsletters we mentioned we had the opportunity to go to a children's home. It is heartbreaking to see what children go through in the day that we live in. Child abuse in New Zealand is a major problem. New Zealand is rated fifth highest in the world for child abuse. Every three days a child is admitted to the hospital with injuries due to assault, neglect or mistreatment. When we return to New Zealand, in addition to focusing on radio, our desire is to continue to reach out to these hurting children. Please help us pray for the children of New Zealand.

... More statistics.

The marriage rate in New Zealand has been steadily declining over the last 40 years. More and more people are cohabiting. In 2016, 16% of the population was living together outside of marriage, more than double the rate in the United States. The nation of New Zealand needs revival once again.

PRAYER REQUEST

- * In August, New Zealand Legislators passed a law banning foreigners from purchasing property in New Zealand. While this does not affect us at the present, it could in the days to come. As you know, our ultimate goal is to have a full powered radio station in the future and this could hinder our efforts. Please pray with us concerning this situation.
- * We would like to say **thank you** to those of you that have given money to purchase radio equipment to start the low powered station. We now have the finances to begin this work. Please know that these funds will be used as designated. Please pray that we can find a home to rent with a high elevation so we can broadcast the gospel further when we return.
- * Please pray that the Lord will open a door for us to obtain a religious worker visa.
- * Pray for continued protection as we travel itinerating.

In regards to starting the radio station when we return, we will need material to broadcast. **If you have sermons that you could send us, especially with an evangelistic focus, please contact us by phone 417-312-7459 or email: liferadiomission@hotmail.com.** Please be sure you have permission to broadcast any material that you send.

WHILE WE HAVE THE DESIGNATED FUNDS TO BEGIN THE RADIO MINISTRY, WE ARE AT ONLY 50% OF OUR NEEDED LIVING EXPENSES. PLEASE PRAY THAT WE CAN MEET THIS GOAL. IF YOU FEEL LED TO HELP US SEND YOUR OFFERING TO P. O. BOX 504 NEOSHO, MO 64850
