Greetings in the name of the Lord.

There has never been a more exciting time to be serving the Lord than in the present. As we look around at this world and all the events that are taking place it is evident that the coming of the Lord is near. We have the opportunity to be involved in the end time revival that the Lord has promised in His Word Acts 2:17-20.

We have a great opportunity to respond to the call that the Lord has placed on our lives , and as we respond to this call we are expecting a great harvest of souls.

Act 2:21 And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.

Since we stepped out into full time ministry itinerating back in November we have seen the hand of God every step of the way. He has blessed us in ways that we would never have imagined and supplied our every need both in our personal lives and for the ministry. We can truly say that **God is faithful!** It has been amazing how the Lord has opened doors for us to be able to share our vision for New Zealand. As we go from church to church our goal is not only to share our burden for missions, but we also want to be a help and encouragement in the services that we are in. It has been so encouraging to see people respond to the Spirit of the Lord and to see souls saved and people helped.

The Lord has been blessing us financially. We have raised a little over 25% of our budget goal for our next trip. Our target is to leave by February 2017. We will be there for three months on this trip and while we are there we plan on beginning the process of obtaining a religious workers visa which will allow us to stay in New Zealand the next time for two years. Please be in prayer that the Lord will direct us as we make preparation for this trip, and that He will open the doors that we need opened to be able to fulfill the ministry He has laid on our hearts.

Praise report!!! We mentioned in our last newsletter about our need for a 5th wheel. At the end of December we were getting ready to go into an area where we knew we would have a lot of expense for motels. Right before we left for this area Brother and Sister Kent Young from Independence Iowa loaned us their travel trailer to use. This has been a great blessing to us. My wife said , “God does not always come through when we want Him to, but He is always right on time”. We will be using this trailer temporarily until we can buy one of our own.

There has been some interest in making online donations to our ministry so we have set up an account through paypal. If you would like to make a donation online please contact us and we will be happy to email you the link to our paypal account.

We want to say a big thank you to all of you who have supported us with your prayers and financial support. May the Lord richly bless you for all that you do.

God bless you, The McDaniel's

The girls are really enjoying travelling. They have made a lot of new friends. They have been taking part in the services quoting scriptures and singing. Several people have said they have enjoyed their part of the service. It is a blessing to see the Lord using our children.
