Greetings in the name of our Lord Jesus Christ,

November 2023

We pray that all is going well with you, and that you are experiencing the sweet presence of the Lord in the midst of the chaos that is going on in the world today. We see wars and conflicts happening in different parts of the world. The uncertainty of what the future holds can cause worry and fear. In addition to these physical wars, there is also a spiritual war raging. It seems that Satan is waging war on God's people, attacking them in their bodies and their minds. Recently, we have faced a battle in both of these areas ourselves and have spoken to others that are facing similar issues. As we face these battles we must remember what the Scripture says in 2 Corinthians 10:4 *"(For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;)"* Also Ephesians 6:12 *"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."* We know who our enemy is, but we also know who we serve! God is our **help** and **strength** in times of trouble!

THANK YOU. We want to say how much we appreciate all of you who are praying for us and giving to support this ministry. Without your help we could not continue to do this work. We pray the Lord's richest blessings upon you!

Home Bible Study/ Childrens Bible Class.

* We are thankful that the children's Bible class is continuing to grow. Recently, we have been covering the stories of Moses. One of the fathers played the part of Pharaoh. Two of the boys, Gavin and Marcus, played Moses and Aaron. They did a great job, and we had fun doing it! The kids enjoyed the marshmallows for hail, and the plastic bugs.

* Three new people have started coming to the Bible study in the last couple months, this is a direct answer to prayer. While we are doing the Bible study Reiawna and Sharei do a Bible story and scripture verse with the kids. The adults have been studying from the Sermon on the Mount. In one of the studies, **continued on next page →**

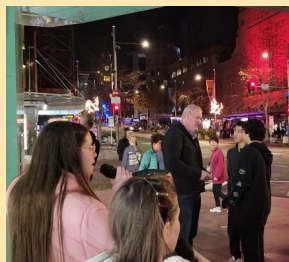

we were looking at Jesus teaching on divorce. After the study one of the men started talking to Reitha about how his parents had divorced when he was a child. He broke down and cried, telling her how painful it still is for him. Having these Bible studies has given us opportunities to answer questions and have discussions about spiritual things. One of the ladies told Reitha, "You have helped us spiritually." We are so glad the Lord is working in these precious people's lives. Help us pray that those who have not received Christ as their personal Savior will give their lives to Him soon.

Ministry Opportunities

* Reitha and the girls visited Sylvia, an 89 year old neighbor, who lives down the street from us. She was raised a Christian, but she has a distorted view of the scriptures. We are praying for her and hoping something that we said or the songs that were sung ministered to her heart. Please help us pray for her that she will turn her heart to the truth.

* The Lord has opened several doors for us to speak with different people as we have been on the street evangelizing. After we talked to a couple young men, Deon and James, they prayed a prayer of salvation. At different times some of the Hare Krishnas have taken tracts as they have chanted down the street. We are trusting the Lord to save them. We are thankful our girls have been ministering on the street by passing out tracts and singing as well. The girls on the right are from the Bible class. Andrea, in the middle has gone out with us evangelizing in downtown Auckland a few times. The other girls wanted to go also. We are proud of them for wanting to spread the Gospel.

Nursing home services.

Grace Radio

We are glad for the opportunity to work at the Hope Center food bank. We told Dave, a guy that started volunteering at the food bank about the radio station. He said he listened to it and enjoyed it. We pray he will continue to listen and that the Spirit of the Lord will speak to his heart. Also, we are excited that we are now carrying the Your Story Hour. Tune in to graceradionz.com at 8 A. M. or 4 P. M CST to listen to these audio dramas.

Passing out tracts and Bibles to young people leaving school.

Prayer Requests

* In our last newsletter we talked about Gabby and how she has been telling her friend, Julia, who comes from a Buddhist family, about Jesus. Julia's mother, Giang, came to our house while we were practicing for a Christmas program. We believe the Lord ordained this. She said Gabby tells Julia about Jesus and Julia comes home and tells her. She took a card for the radio station. Please pray the Lord will minister to her through the radio station.

* The finances are low right now, we know it is not time for us to leave. If the Lord would lay us on your heart please consider giving so that this work can continue.
