Greetings in the Wonderful name of Jesus,

July 2025

It is hard to believe that we are already halfway through 2025. Time is moving swiftly. We want to say thank you to all the pastors who have opened their doors for us to come and share what God has done in New Zealand. Also, thank you to those churches and individuals who have faithfully supported us with your prayers and financial giving. In our last newsletter, we asked you to pray that the Lord would give us direction while we are here in the States. The Lord has answered that prayer. Brother and Sister Phillip Sanders are moving to South Dakota this month to start a church in the Sioux Falls area. They have asked us to come out there and help with this work. We were planning on moving there in August. However, their move was delayed so he has asked to wait until spring to come out there. We covet your prayers for this ministry. If the Lord lays it on your heart to support this home missions project, we would greatly appreciate it.

The ministry is continuing in New Zealand. There is a family we went to church with that is continuing the Bible Study/Bible class once a month. God has opened the door for them to be able to use a church hall for the Bible class during the winter. At times, they have had new people come. We have been keeping in contact with these families. Recently, Christine sent a video of their 5-year-old daughter singing a worship song and said, "The family you've built here remains strong and continues to grow as we strive to live by God's Word." We are so encouraged that the Lord is continuing to work in their lives.

Since we have returned to the States, two of the people we reached out to with the Gospel have passed away. Lalita, our Hindu neighbor passed away in May. We pray that she accepted Christ before she passed. We sent a sympathy card along with some tracts to her husband, praying that he and his family will read them and be drawn to the truth of salvation. Roy, our neighbor who was paralyzed, passed away in May as well. We are so thankful that he gave his heart to the Lord before we left New Zealand. In an email, Shawn encouraged his wife,

Jenny, to give her heart to the Lord if she had not already done so. Please join us in
