Greetings in the Wonderful name of Jesus,

November 2025

We hope this fall season finds you well. As we look at all that is happening in our world today, we are so thankful that Christ remains our firm foundation, unchanging and faithful, and that we have the Hope of a better life.

We have a little less than two years left before we can return to New Zealand. We appreciate all of you who continue to support us during our time here in the States. Your prayers, encouragement, and generosity mean so much to us!

We are grateful to the Lord for the opportunities our girls had to go to some youth camps this summer. It has been a spiritual shot in the arm for them, seeing that they have not been able to be in that type of atmosphere for close to three years. They both received the Holy Ghost in one of those youth camps. This is a definite answer to prayer! Reiawna is continuing to take piano lessons and is doing well. Also, they both play the ukulele. May the Lord bless them for contributing to this ministry.

While we were in New Mexico visiting one of the churches that supports us, Reitha met an older woman by the name of Geraldine at the laundromat. As they talked about Jesus, Geraldine began to cry and shared that she was going through a very difficult time. We were able to pray with her and invite her to church. She felt that the Lord had sent Reitha to her. Please pray with us that the Lord will minister to her and that she will start attending church.

## **Radio Report**

When we first started our radio station in New Zealand, it was discouraging that

not many people were listening. However, over the past few months, we've seen listeners tuning in from more than 13 countries, including China, Hong Kong, Russia, Turkey, and others. Here in the U. S., our listener base has also expanded as we've handed out cards promoting the station (as pictured above). Please continue to pray for this ministry, that as people around the world hear the Gospel message, their hearts will be touched and many will come to know Christ.

## **Praise Report**

Previously, we mentioned that our neighbor, Roy, had passed away. We asked you to join us in prayer for his wife, Jenny, who has been out of church for nearly 40 years. Recently, she told us that she is back in church. We rejoice that this prayer has been answered!

**Pictures on Back**

We have been able to stay connected with the people in New Zealand. Our friends, Sema and Sina, along with their children, have continued holding the monthly Bible class and Bible study. Sina told us it has been wonderful and encouraging to see how little by little God is moving in their lives. Recently, one of the ladies who attends, Rhica, shared with us that her husband Jon has lost his job. It is wonderful to see that they are trusting Jesus during this difficult time. She also mentioned that she has been inviting her neighbors to join the Bible study as well.

We have started hosting an online video Bible class with the youth in NZ. We are thankful for the ongoing spiritual growth we see in them. Andrea, one of the girls who attends our group, reached out to us asking if we knew where she could get a Bible. A friend at school wanted one, so she loaned her own Bible to her. We ordered Andrea one, and she couldn't wait to receive it! It's encouraging to see the love she has for God's Word.
