Greetings in the Wonderful name of Jesus,

March 2026

We hope all is going well and that the sweet presence of the Lord is filling your hearts and minds during these troublesome times. It's easy to get our eyes off of Christ during the storms of life, as Peter did. However, there is peace when we keep our eyes on Jesus. He is our refuge when the storms are raging.

John 14:27 **Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.**

The Lord has opened doors for us to be able to share about the work in New Zealand in many churches. We would like to express our appreciation to the pastors who have allowed us to share our burden for this work. It has been wonderful to see how the Lord has ministered to hearts in the altars. It was encouraging to see a lady come forward for salvation in one of the services in South Carolina. In another service, several were in the altars seeking for the Holy Ghost. May the Lord continue to pour out His Spirit in these last days! We are deeply grateful for the generous offerings that have been given, and for each of you who faithfully support us through your prayers and financial giving.

While visiting friends in Oklahoma City in December, we wanted to reach out to the homeless in the area. We prepared food containers along with a tract and visited a couple of locations where individuals were living in tents.

Shawn had the opportunity to speak with a man named Ricardo, who shared that he is struggling with alcoholism. Ricardo described himself as a backslider and later expressed how tired he is of the life he has been living. He mentioned that he is familiar with a local church that runs the Teen Challenge program. Shawn encouraged him to give his heart to the Lord and to join this program.

Sema and Sina, the couple who have taken over the ministry in New Zealand while we are gone, took the group on a camping trip. They had a time of worship and sharing the Word daily. One of the girls from the youth class brought a friend along on the camping trip. This young lady shared with Sina that she has had a difficult upbringing. Please help us pray that this young lady will be saved. The young people

who join the video Bible class come from a Catholic background. In our last class, Reitha felt led to share the story of the three Hebrew children. She emphasized the importance of not bowing to idols, as well as guarding against idols within our hearts.

While staying at an RV park in Texas, we had the opportunity to pass out cookies and gospel tracts. We also enjoyed distributing Valentine's cookies and tracts in a neighborhood near a church we were visiting in North Carolina.

We were grateful for the opportunity to join our friend, Sister Rita Rodden from the Gastonia, NC area, in serving a meal at a local food bank. Before meeting the physical needs, we were able to share a few songs and minister to the spiritual needs of those present. It was a blessing to serve both the soul and the body.

While we were in the Sumter, SC area we were able to join a couple pastors, Kyle Preskitt and Seth Cowert, along with some others for street ministry.

Around the middle of April, we are planning to join Brother and Sister Sanders in South Dakota to assist with the pioneer work the Lord has led them to do. It has been a great encouragement to hear reports of how God is working in the lives of people in that area. We would greatly appreciate your prayers for both us and the Sanders, that God would continue to guide us and use us for His Kingdom.
