Bringing Light and Life to the Lost through Radio

Greetings in the Wonderful name of Jesus,

July 2026

As we celebrate 250 years of freedom in America, our hearts are filled with gratitude to God for the many blessings of liberty we enjoy. Throughout our nation's history, countless men and women have sacrificed greatly, even giving their lives, to preserve these precious freedoms.

Yet there is an even greater freedom available to every person. Jesus Christ made the ultimate sacrifice by giving His life on the cross so that we could be set free from the bondage of sin and the penalty of hell. Through His death, burial, and resurrection, all who place their faith in Him can experience true spiritual freedom, forgiveness, and the hope of eternal life.

It is hard to believe that we have been in South Dakota for over two months. Brother and Sister Sanders have been so gracious to us, and we are thoroughly enjoying serving alongside them in the work of the Lord.

It has been a tremendous encouragement to watch them faithfully obey God's leading and move halfway across the country at a stage in life when many people are thinking about retirement. Their willingness to step out by faith is a testimony that God's work is never finished as long as He gives us strength to serve.

May the Lord help each of us to be willing to step out of our comfort zones and follow wherever He leads. The fields truly are white unto harvest, and there is still a great need for laborers who are willing to answer His call. **"I must work the works of him that sent me, while it is day: the night cometh, when no man can work." John 9:4**

The church here is growing, averaging over 20 in attendance on Sundays.

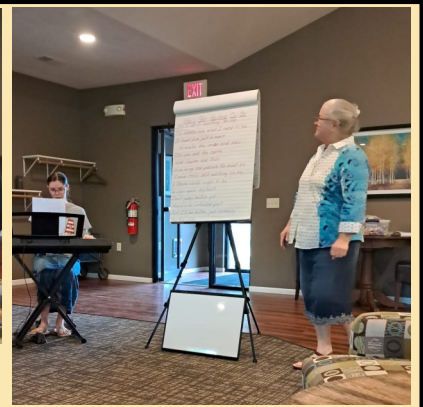

During the summer months, Reitha and our girls have been helping Sister Sanders with a weekly girls' club. The Lord has truly been blessing this ministry. A couple of weeks ago, we had 11 girls in attendance. In one of the classes, Reitha asked the girls to raise their hands if they had given their hearts to the Lord. Several of them raised their hands. What a blessing it is to see God working in the lives of these young girls and to witness their eagerness to come each week to learn more about Him. We are thankful for the opportunity to invest in their lives and ask that you continue to pray that they will grow in their faith and that many more young hearts will come to know Christ as their Saviour.

The Lord has also given us opportunities to pass out tracts and witness to several people in the RV park where we are staying. One Sunday, a couple of Guatemalan construction workers who are staying there came to church. The following Sunday, they brought a friend. It has been a great encouragement to see them attending!

We met another man by the name of Lee. We were told that he suffers from dementia. An acquaintance who has known him for 30 years shared that Lee had a difficult childhood and has not lived a good life. She said he has never attended church. However, over the past several weeks, Lee has been faithfully attending services with us. On several occasions he has come to us asking when the next service would be. It has been a blessing to see the evidence of God working in his heart. In a recent service, the invitation for salvation was given, a couple people raised their hands, indicating their desire for Salvation. Lee was one of them. Praise God for His mercy! Please keep Lee in your prayers.

Please continue to pray for the work that the Sanders have started here in South Dakota. They are in need of a building that will allow them to hold the main church service and children's classes at the same time. Brother Sanders is also praying that the Lord will send someone to help continue the work here, enabling them to plant another church elsewhere in South Dakota.

Here are a few pictures from church services and the girls club. Top left, Shawn with a illustration of the fiery darts of the enemy. Top center, the girls acting out the story of Ruth. We have also begun a monthly video Bible class with the young people in New Zealand. Shawn is also recording a video devotional for the adults, allowing us to stay connected and continue encouraging the people there through God's Word. Sena shared with us about a recent Bible study that they had about Prayer. She said, "they got into pairs and each group discussed what the Lord's prayer meant to them and how we as individuals could apply it to our own lives and with others. This was something way out of their comfort zone but praise God that his spirit was amongst our service as the different ones were deeply explaining how each verse given to them made them see through their spiritual eyes instead of their human eyes which was actually touching. A few tears were shed about God's forgiveness and love as they dived deep into the word and they're all slowly opening up and contributing towards our Bible studies."
