November 2026

Greetings in the Wonderful name of Jesus,

We would like to take this opportunity to thank everyone for your continued prayers and financial support for the work of Life Radio Missions and for the work in South Dakota.

As we mentioned in a previous newsletter, we had agreed to spend six months working with Brother and Sister Sanders in their pioneer work in South Dakota. Our time there has now come to an end. We are truly thankful for the opportunity to be a part of this work and for all that God has accomplished during our time there. It has been a blessing to see the Lord working and moving in the lives of people. We would ask that you continue to keep Brother and Sister Sanders in your prayers as they press forward with the work God has placed before them. Pray that the Lord will continue to bless their efforts, provide for their needs, and give them souls for their labor.

We are thankful to the Sanders for the nice going-away dinner they had for us. They have truly been a blessing to our family!

We have begun itinerating once again, visiting churches and sharing the burden God has placed on our hearts for New Zealand. Our goal is to raise the needed support to return and continue the work there. Please keep us in your prayers as we travel. Pray that God will continue to open doors, provide opportunities to share the ministry, and give us safety and protection on the road.

The radio station continues to broadcast online 24/7, reaching listeners around the world. We have now had listeners from more than 25 countries tune in to Grace Radio New Zealand! If you would like to listen to the station and hear uplifting music, solid Bible teaching, and Christ-centered programming, visit Graceradionz.com

We are thankful for what the Lord is continuing to do in the hearts of the people in New Zealand. Sina recently shared with us about a Bible study that they had about prayer. She said, “They got into pairs, and each group discussed what the Lord’s Prayer meant to them and how we as individuals could apply it to our own lives and with others. This was something way out of their comfort zone, but praise God that His Spirit was amongst our service, as the different ones were deeply explaining how each verse given to them made them see through their spiritual eyes instead of their human eyes, which was actually touching. A few tears were shed about God’s forgiveness and love as they dived deep into the Word, and they’re all slowly opening up and contributing towards our Bible studies.”

During one of our video sessions with the youth, we mentioned that Reiawna had a journaling Bible. Three of the young ladies expressed an interest in having one of their own, this is so encouraging. We were able to purchase and ship a journaling Bible to each of them. One of the girls, Andrea, recently shared with us that she has been reading her Bible every day. She also asked how she could memorize Scripture to help her when facing temptation. Andrea's sister, Shikinah, has recently reached out to us for help in getting her friends interested in studying the Bible together. We are thankful to see these young ladies developing a desire to learn more about God's Word and wanting to share that interest with their friends. Please pray that God will continue to work in their hearts and use them to reach others.

The Lord gave us opportunities to pass out tracts and witness to several people in the RV park where we were staying. In the picture on the right are some Guatemalan construction workers who are living there. We invited them to church. Two of them came that Sunday, and the next Sunday, they brought a friend. It has been a great encouragement to see them attending church!

We met a young lady named Hannah at our RV park. Hannah is 20 years old and has three children. She comes from a very difficult background, having been forced into trafficking by her own mother. We believe God allowed our paths to cross for a reason. We had the opportunity to invite Hannah and her children to our trailer, where we were able to have a Bible class together. Before we left, we were able to take her to church, we also gave her a Bible. After receiving the Bible, Hannah sent us a text that really touched our hearts. She said, "I was having a hard day today. Just trying to figure out what my next steps are. I have not been able to put the Bible down, thank you so much." What a blessing to know that God's Word is already bringing comfort and encouragement to her! Please help us pray for Hannah and her children, Amani, Renesme, and Jasiah, that God will continue to work in their lives and draw them closer to Him.
